Scammers Impersonate the Government

You get a call, email, or text message...

- They say they’re from the Social Security Administration and your benefits will end unless you pay.
- They say they’re from the IRS and you owe taxes.
- They say you need to give your Medicare number to get a new card.

**STOP!**

These are all scams.

Government agencies won’t call, email, or text you and ask for money or personal information. Only a scammer will do that.
