Office of Audit Report Summary

Objective

To report internal control weaknesses, noncompliance issues, and unallowable costs identified in the single audit to the Social Security Administration (SSA) for resolution action.

Background

The Pennsylvania Auditor General and KPMG LLP conducted the single audit of the Commonwealth of Pennsylvania. SSA is responsible for resolving single audit findings related to its Disability programs. The Department of Labor and Industry is the Pennsylvania Disability Determination Services' parent agency.

Finding

The single audit reported weaknesses in the cash management system that caused noncompliance with the Treasury-State Agreement. The single audit identified multiple Federal programs, including SSA, responsible for resolving this finding. However, the Department of Health and Human Services will resolve this finding on behalf of the Federal Government. Therefore, we are bringing this matter to your attention, but we are not making a recommendation.

Subject: Single Audit of the Commonwealth of Pennsylvania for the Fiscal Year Ended June 30, 2014
(A-77-15-00012)

This report presents the Social Security Administration's (SSA) portion of the single audit of the Commonwealth of Pennsylvania for the Fiscal Year ended June 30, 2014.¹ Our objective was to report internal control weaknesses, noncompliance issues, and unallowable costs identified in the single audit to SSA for resolution action.

The Pennsylvania Auditor General and KPMG LLP performed the audit. The results of the desk review conducted by the Department of Health and Human Services (HHS) concluded that the audit met Federal requirements. In reporting the results of the single audit, we relied entirely on the internal control and compliance work performed by the Pennsylvania Auditor General and KPMG LLP and the reviews performed by HHS. We conducted our review in accordance with the Council of the Inspectors General on Integrity and Efficiency's *Quality Standards for Inspection and Evaluation*.

For single audit purposes, the Office of Management and Budget assigns Federal programs a Catalog of Federal Domestic Assistance (CFDA) number. SSA's Disability Insurance (DI) and Supplemental Security Income (SSI) programs are identified by CFDA number 96. SSA is responsible for resolving single audit findings reported under this CFDA number.

The Pennsylvania Disability Determination Services (DDS) performs disability determinations under SSA's DI and SSI programs in accordance with Federal regulations. The DDS is reimbursed for 100 percent of allowable costs. The Department of Labor and Industry is the Pennsylvania DDS' parent agency.
